- Hydraulic suspension\*
- Double width tyres\*
- Wide 13" rear tyre
- Powerful Kubota diesel engine
- 12 months warranty
- 1.5 Tonnes lift capacity

\*Options available at extra cost upon request.

The Transplant Systems Prins forklift is ideal for use on the nursery. Compact, maneuverable and has a good lifting capacity.

Used with the Demtec Buffer System for pot handling. The Prins truck offers good weight distribution over the ground due to its broad tyres. For growers looking for even better load shedding then double width tyres are also available. Hydraulic suspension ensures a smooth ride for driver and plants!

Model	Boxer 1.5
